-2-

- c. Chairman of the Factory Council is Josef Koudela.
- d. Social Hanager is Kopecky.

Dolnorychnovske Sklarny National Corporation

- 5. The Dolnorychnovske Sklarny National Corporation at Sokolovo (Falknov N51/P56) is the second largest glass works in Czechoslovakia. It employs about 800 people, and produces photo glass and plate glass. Nost of its products are exported to Britain, the Soviet Union, Scandinavia, and the USA.
- 6. The factory is equipped with four blast furnaces and about 60 cutting tables.

 the 1949 production quota was fulfilled by 102 percent but that this was accomplished only by neglecting all safety measures.

Attachment: One plan of the Kovolis factory near Tremosnice.
